## ABOUT ME

Passionate Full Stack Developer with a strong eagerness to learn and adapt to new technologies. Skilled in building web-based systems and developing efficient solutions. Seeking to contribute and grow in a dynamic development environment.

## PROFESSIONAL EXPERIENCE

### Atlantis Systems Technologies Filipinas Corp. | Jr. Developer

Aug 2024 - Feb 2026

- Developed and maintained 20 e-commerce platforms and 4 loyalty systems using modern technologies like PHP, JavaScript, jQuery, and Bootstrap.
- Managed databases, source control (Git), and deployments with XAMPP and FileZilla.
- Maintained and enhanced core products, resolved technical issues, and supported clients.

### Filipinas Multi-line Corp. | System Programmer

June 2023 - Aug 2024

- Developed and enhanced web and desktop applications using PHP, jQuery, and JSON, including system upgrades and maintenance.
- Designed system flows, mock-ups, and documentation (user manuals and technical reports), and presented solutions to stakeholders.
- Performed testing, debugging, and provided end-user support and training for deployed systems

### Department of Education | Intern Web Developer

Jan 2023 - March 2023

- Developed and maintained web-based systems (inventory and profiling) using PHP with database integration and user authentication.
- Built responsive and interactive websites using HTML, CSS, Bootstrap, JavaScript, jQuery, and AJAX
- Collaborated with team members on development tasks, code reviews, and provided technical support to ICT staff
